

An iceberg is shown floating in a dark blue sea. The tip of the iceberg, which is above the water line, is labeled 'Application'. The much larger part of the iceberg, which is submerged, is labeled 'Innovation'. A red arrow points from the 'Innovation' section up to the 'Application' section. To the left of the iceberg, a small white boat is moving across the water, leaving a white wake.

Application

Innovation

**Infrastructure
Deep Learning
Resilience
Scalability
Maintenance**
