Promotional Opportunities

14-15 November 2024

London, UK

HbbTV 12th HbbTV Symposium and Awards **everyone** TV

A cooperation between the **HbbTV Association** and **Everyone TV**. This year it is held on 14-15 November in London. The **12th HbbTV Symposium and Awards** provides a unique platform for the HbbTV community and the media industry to listen, engage, discuss and build your network in an in-presence event. The venue will be **Church House**, located in the heart of Westminster.

Everyone TV (formerly Digital UK) is responsible for the day-to-day running of free TV platforms – Freeview and Freesat – as well as leading free TV’s evolution for a digital age. Everyone TV is owned and supported by the UK’s leading public service broadcasters – the **BBC, ITV, Channel 4 and Channel 5**.

“Our aim is to deliver compelling free TV services for audiences. That means providing services that meet viewer expectations, however they’re watching, and ensuring British content made for British audiences remains easily accessible and discoverable.”

Championing free TV for all

- **Day one** of the Symposium is the usual and traditional conference kind of event; this includes a **defined agenda** based on call-for-speakers items, managed under the responsibility of the Marketing and Education Working Group (the MEWG). This day event is going to be hybrid, in person and freely accessible via IP streaming.
- **Day two** features a collaborative workshop-based “**unconference**”. According to the unconference principles, during a plenary session in the morning, typically arranged as a single or multiple circles, the participants are invited to propose topics for discussion, which are then assigned timeslots as an agenda, built from scratch. The result are parallel streams of different conferences in multiple rooms.
